

VISITOR'S QUOTES

Ms. Fanny Delannoy, Director,
Zoetex, France

"I am looking for new suppliers and also new trends in fabrics and accessories. Fleece fabrics are what I needed and found suppliers here. The show is well organized and though small it has a good representation across the categories."

Ms. Ruby Vishwanath, Senior Product Developer,
Mothercare, Bangalore

"I handle the new born, baby girls and toddler girls divisions at Mothercare. This visit will help as we are putting together the Mothercare Spring 16 collection. The products at the show go way beyond my expectations."

Mr. Suresh Balram, Senior Materials Manager,
Ralph Lauren, Bangalore

"I found the product range to be more varied at this edition, including handcrafted textiles, knitted and woven. I have already given proposals to a supplier of handcrafted textiles and an interesting knit fabric supplier who has displayed innovative products."

displayed innovative products."

Mr. Phornthep Dahuja,
Meilora International Co Ltd., Thailand

"We supply fabrics to women's wear brands in Thailand and I am looking to source materials from India I found plenty of interesting fabrics at the show like linen, chiffon's, georgette which are different and good in comparison with those available in Thailand. I will be firming up plans to buy from a few companies. The Southern region of India is a good manufacturing hub and I consider this visit extremely fruitful."

available in Thailand. I will be firming up plans to buy from a few companies. The Southern region of India is a good manufacturing hub and I consider this visit extremely fruitful."

Mr. Nitin Prasad, Director,
PVH Corp., Mumbai

"The PVH team visited this show for the first time which was beyond our expectations. We did come across some interesting fabrics at the JCT booth and also the modal fabrics displayed by Pallava. We intend to take discussions forward with both these vendors. However, it would have been more impactful if there were more mills participating, which could offer variety and choice."

Pallava. We intend to take discussions forward with both these vendors. However, it would have been more impactful if there were more mills participating, which could offer variety and choice."

Ms. Sumitra Reddy,
Brand India Tex, Chennai

"I am looking for new products in fabrics and trims, which I found here. If all goes well, we will definitely be placing orders with a few suppliers. Since the last one year, I was looking for a reliable supplier of Jaipuri block prints, whom I found at the Show in 'The Bagru Prints' stall."

Mr. Narayana Shastry,
Head Purchase, Arvind Ltd, Bangalore

"I am here especially to see innovations in trims and pocketing fabrics. I was impressed by the products and have invited a few suppliers to our office to give presentations. I also came across a few innovations in embroidery appliqués, heat transfers, laces, etc which I have not come across in other shows."

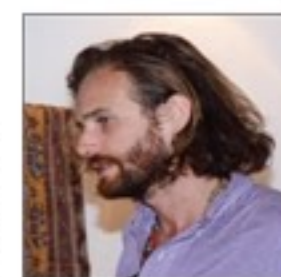

Mr. Anis Sattar, Director,
Fergasam Garment Industries Pvt Ltd., Sri Lanka.

"I am happy with this visit as I got to see a wide range of fabrics and accessories. I found a good supplier for bottom weights and also new innovations in digital prints in Chiffon's and Georgette. I will be placing orders with a few exhibitors at the show."

Mr. Vincent Jeannet,
VJ Sourcing Pvt Ltd., Tirupur

"I operate from Tirupur and source on behalf of European clients for apparel fabrics, home textiles, etc. I liked the indigo dyed handprinted fabrics from Rajasthan and also a few of the digitally printed fabrics in other booths. I hope to take this forward and turn it in to a business opportunity."

Mr. Heramba Bhat, Manager
(Fabric Sourcing), Shahi Exports Pvt Ltd.,

"My team regularly visits the F&A Show and this time too we were able to see new innovations as well as a new range of fabrics which we hope to use for their next fall and summer season collections, which includes loose knit, coarser grain and also slub fabrics."
